

### Vendor/Product Information

Vendor Name	RedShelf
Product Name	RedShelf Website
Product Version	N/A
Completion Date	October, 2014
Contact Name/Title	Scott Kelly, CTO
Contact Email/Phone	scott@virdocs.com

### Specific Issues

Issue Description	Current Status (Open, Closed, I/P)	Disposition (Planned, Deferred, I/P)	Remediation Timeline	Available Workarounds	Comments
Update our Accessible Reader functionality to take advantage of new features found in our standard reader	Open	Planned	Q1, 2015		We are always actively developing new features for our reader and every attempt will be made to make those features available to users with accessibility software.
Test & enhance experience with external screen readers (such as JAWS)	Open	Planned	Q2, 2015		RedShelf's website is compatible with screen readers.
Improving accessibility features documentation	Open	Planned	Q1, 2015		We're always working towards improving our documentation. We are going to focus on targeting Accessibility training materials early next year.
RedShelf does not support text only pages	I/P	Planned	Q3, 2015		This is still under investigation if it is even needed, if so we are aiming for Q3 2015.

Issue Description	Current Status (Open, Closed, I/P)	Disposition (Planned, Deferred, I/P)	Remediation Timeline	Available Workarounds	Comments
Support for browsers without JavaScript	I/P	Planned	Q3, 2015		JavaScript is required for most features on the eReader. We will be investigating other options like a text-only page.

### Additional Information

RedShelf is committed to constant improvement of our website and eReader to fit the needs of all users regardless of their accessibility needs. We will continue to test and release updates to meet accessibility standards.
